

# Expedition weight balaclava

**Code** WA60

**Colour** Black

**Size** One size

The expedition weight balaclava is ideal for athletic activities in cold to frigid temperatures. The Wickers performance fabric moves moisture away from your body keeping you dry and comfortable. The fabric has a soft feel against your skin and has Lycra added for a comfortably snug fit.

## Features

- One hole design
- Machine wash and dry
- Moisture transport capabilities will not wash out

## Fabric

92% ComFortrel® Polyester  
8% Lycra®
