

# Expedition weight top

**Code** M961

**Sizes** S - XXL

**W** S - XL

Wickers warmest weight thermal underwear garment is intended for low energy activities in extreme cold. The performance fabric moves moisture away from your body keeping you dry and comfortable. The brushed interior provides a soft feel and has Lycra added for a comfortably snug fit. Zip up for maximum warmth or lower zipper to vent heat.

## Features

- Long sleeve
- Crew neck
- Machine wash and dry
