

# KSB 300 eVENT

Code 1533

The Karrimor KSB was the boot that started it all - light weight, breathable with the suede and Cordura® construction which changed the footwear industry forever. The KSB 300 eVENT® boots are the latest version of the original classic. The Waterproof and breathable eVENT lining and Vibram® Bifida outsole combined with a supportive and comfortable upper makes the KSB 300 eVENT ideal for 3 season walking and trekking.
